# Hang Tag Template

## DIRECTIONS:

Type your Client, Project, and Date info in the area specified. Insert your hang tag artwork into the EDITABLE LAYER and edit accordingly. Be aware that any artwork outside the dashed INSIDE SAFETY line may be cut off. Also, make sure to extend artwork to the OUTSIDE BLEED line. This will assure that there will be no empty areas on your hang tag where a print should have been.

NOTE: Front/Back Color Allowances: 1/0, 1/1, 2/0, 2/2  
Minimum Quantity: 500 pieces

1/8" INSIDE SAFETY
